Taran,

The band that I originally corresponded with FINALLY responded and they will be there on October 15th.

Thank you anyway.

Did you get the contract for the Dia music?

\$400. Not sure about the style. Crazy idea but what if we got a band with music that would help promote Dia?

Yes. I had a band and I've asked them to confirm. I haven't heard from them and I'm starting to wonder if they are going to show up. If you have a few recommendations I can call them. I need a back up in case they don't respond.

If I need someone, can you refer someone to me?

Thanks.
